Sir,

Elections- Provincial Legislature - Revision of rolls - Mangalore Taluk - Special Staff - Retention beyond period of present sanction - Report submitted.

G.O.No.2400 dated 19-10-40.

In continuation of this office reference dated 22-12-40, I recommend the retention of the special Revenue Inspector and his peon in the Talukas of Coondapur, Karkal and Kasaragod till 31-3-40 to attend to election work which is too much for the ordinary staff, over-burdened as it is with cattle census, rice procurement, Jamabundy and land revenue collection. The work of general revision of the electoral rolls of the provincial legislature is now going on and there will also be election to the Provincial legislature in March. All this entail very heavy extra work which has to be got through according to the programme. The retention of the existing staff is absolutely necessary

2. In Puttur Taluk the Tansildar asks for the retention of the peon till 31-3-40 to serve notices and orders etc to the Revenue Inspectors and Village Officers in connection with the elections. It is the most extensive taluk in the district with an area of 1200 square miles and inadequate means of communication. I agree with him and request that his proposal may be approved.

3. The Special Revenue Inspector in Puttur and Udipi Talukas as also the peon in the latter taluk have already been disbanded, as the period of sanction has expired. Their entertainment again will become necessary when the time for the elections approaches. I request that I may be permitted to re-entertain this staff when found necessary and to continue them till 31-3-40.

K Ghulam Kadir
for Collector.
